

CYBER SAFETY AWARENESS RALLY

Organized by NSS Wing

Sarbati Devi Women's College, Rajgangpur

The students and NSS wing of Sarbati Devi Women's College organized a Cyber Safety Awareness Rally on Wednesday to create awareness on cybercrimes. Odisha state sees a 140% jump in cyber fraud complaints according to Times of India. The main aim of the rally was to educate public on various types of crimes happening in cyberspace and the safety measures to be followed. Students took the campaign to streets in educating the public on various types of cybercrimes and online scams, including phishing, loan scam, matrimony scam and impersonation. The students chanted the slogans creating awareness in the neighbourhood. "Remember: Think before you click, Strong passwords, strong defenses, and Privacy is power—Guard it every hour! "Think before you click—Stay safe, stay slick!". The campaign successfully reached a wide audience, empowering them with knowledge to navigate the digital world safely. It emphasized the collective responsibility of individuals, organizations, and governments in ensuring a secure cyberspace.
