

Workshop on Cyber Safety Awareness
Organised by IQAC
SARBATI DEVI WOMEN'S COLLEGE, RAJGANGPUR

On 21st February 2025, the IQAC team of Sarbati Devi Women's College organised a Workshop on Cyber Safety Awareness in the premises of Sarbati Devi Women's College. Dr Smruti Rekha hosted the program and it was headed by the Principal Dr Sasmita Lenka who told the students how in today's digital world, cyber security has become a critical concern, especially for students in colleges who extensively use the internet for academic and personal purposes. The IQAC Co-ordinator Mr Sapan Panda talked about how the IQAC team has implemented Cyber Safety in its college best practices in order to foster a culture of cyber awareness and create a safer digital environment and empower students to navigate the online world securely. The guests Mr Manoranjan Pradhan, IIC Rajgangpur and Mr Praveen Kumar Jha, Branch Manager, Canara Bank, Rajgangpur elaborated on topics related to Cyber Safety such as Phishing Attacks, Weak Passwords and Credential Theft, Social Media Scams and Cyberbullying. The students were also able to clear any doubts they had on this topic during the Question and Answer session. The program concluded with the felicitation of the guests and the vote of thanks.
