

World Sickle Cell awareness programme Sarabati Devi Women's College, Rajgangpur

As per the direction of Minister of Tribal Affairs, Govt of India and Department of Higher Education, Govt of Odisha, today on dated 19/06/2024 at 11:00 AM The College observed the World Sickle Cell Day Awareness programme in the presence of Principal Madam and IQAC Coordinator and other teaching non-teaching faculties and mainly the students. The focus of the programme was to eliminate this disease by creating awareness among the people .Summary of the awareness program was presented by Miss Sasmita Dandasena Lecturer in Home Science and followed by 4th semester student Ms.Marsiling Dumdung of home science dept. We had also special speech from our Principal madam Dr. (Mrs.) Sasmita Lenka and IQAC Coordinator Sri S.K. Panda and other teaching faculties. The Sickle Cell disease is found majorly in the community due to the lack of preventive measures and active awareness residing basically in the Tribal community which is inherited from generation to generation. This is not a major diseases but one of the issue which can also become or turned into a communities problems. The program was ended with the vote of thanks given by Dr. Bhusan Puala lecturer in Hindi.
