About CPBFI Program

- CPBFI is a customized training program conducted by Bajaj FinServ for graduates, especially the first-generation graduates, across India.
- CPBFI aims to make these graduates employable for the Banking, Financial Services and Insurance (BFSI) sector.
- As per industry estimates, less than 50% of the graduates passing out of the colleges are ready for corporate roles.
- This poses challenges for graduates aspiring for a successful career and for industry looking for skilled employees. CPBFI aims to solve this dual challenge.
- By partnering with Bajaj Finserv, colleges can not only enhance the career opportunities of the students, but also attract top companies to recruit from the college.
- An industry partnership can benefit the college by improving its NIRF and NAAC rating and its rank in the Best College Rankings by the different agencies.
- CPBFI is exclusively available to students and alumni of Bajaj FinServ's partner colleges.

At the outset all final year 6th sem students – (Arts and science) are therefore directed to register themselves for such program by clicking on the following Link positively on or before 22.02.2025.
