

Webinar on the topic Food-Planet-Health organised by NSS Wing

A webinar on the topic Food-Planet-Health was organised by Vegan Outreach and Sambalpur University on 11th September 2024 in which the NSS volunteers of Sarbati Devi Women's College had participated. The NSS volunteers got to learn a lot about different vegan approaches to life which would reduce the burden on the environment and on different animals as well. The resource person also discussed about different recipes for a vegan diet to help the students shift to a vegan diet.
